

HOW TO: UPLOAD VIDEOS TO GOOGLE CLASSROOM

Download the Google Drive and Google Classroom apps on a smartphone or tablet. Both are free.

Take a video with the camera on your device.

Select the video from your Photos app and press the share button.

Android

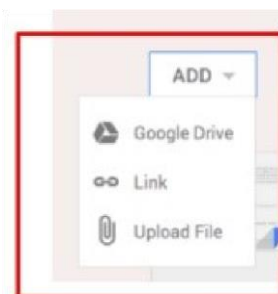

Apple

Share the video to Google Drive. Make sure you are signed into your student account (name@miltonpope.net).

Open the Google Classroom app and select your Class and the Assignment you want to complete. Click the Add button and upload your video from Google Drive.

After your video is attached, press the Turn In button.
